

ROOFING PRODUCTS

# RELIABILITY SERVICE INNOVATION

IPS Roofing Products is an industry leader in residential and commercial roofing products. Beginning with vent pipe flashings, IPS Roofing Products has sustained a superior reputation among roofing distributors and contractors for high quality product, committed service and industry expertise. All products are tested to exceed strict code requirements and to assure quality, durability and safety.

IPS Corporation has long been recognized for its commitment to improving residential and commercial construction products. From introducing America's first plastic pipe solvent cement, the first plastic recessed washing machine outlet box, to the first adjustable multi-size roof vent flashing, IPS Corporation has always sought to help professional contractors work faster and smarter.

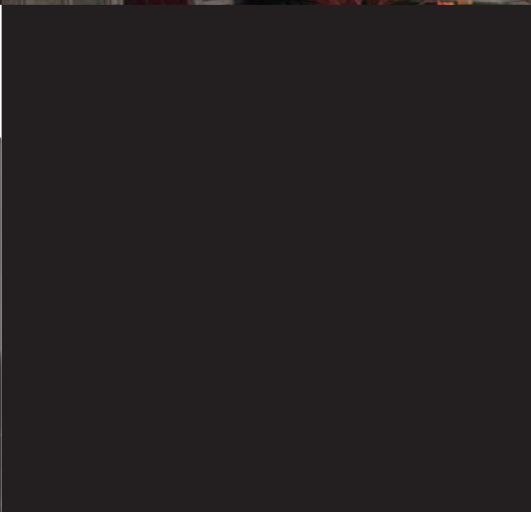

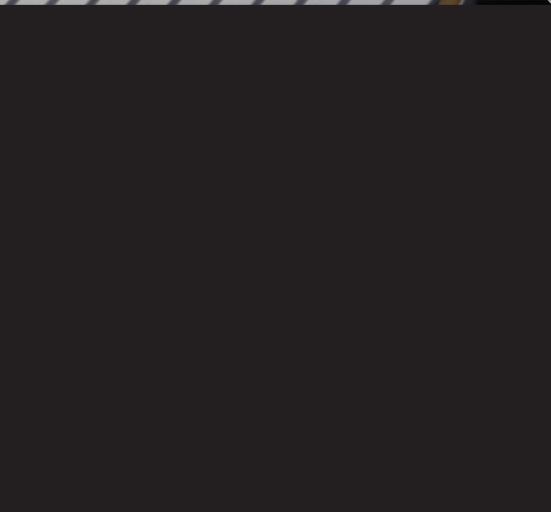

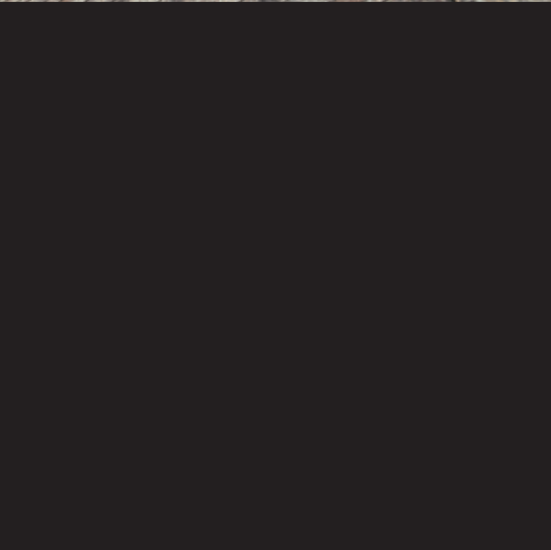

## LIMITED LIFETIME WARRANTY

### **Roof Flashings & Rain Collars**

All IPS Roofing Products roof flashings and rain collars are guaranteed to last for the life of the roof. Because IPS Roofing Products are made with high-quality UV and weather resistant materials, they are warranted for the lifetime of the roof on which they are installed.

See the back cover of the catalog for the full IPS Roofing Products warranty statement.

Thank you for choosing IPS Roofing Products!

## LIMITED LIFETIME WARRANTY

### Roof Flashings & Rain Collars

IPS Corporation ("IPS Corp.") warrants to all original purchasers that IPS Corp. products shall be of good quality and free from defects in material and workmanship. Roof Flashings and Rain Collars are covered under this warranty for the life of the current roof system on which they are installed. If any IPS Corp. product becomes defective, or fails to conform to this written limited warranty under normal use, and if the original purchaser complies with the terms of this limited warranty, then IPS Corp. will, without charge, replace the nonconforming product.

This limited warranty shall extend to all products manufactured and sold by IPS Corp. However, this limited warranty shall not extend to, nor shall IPS Corp. be responsible for, damages or loss resulting from accident, misuse, negligent use, improper application, or incorporation of IPS Corp. products into other products. In addition, any repackaging of IPS Corp. products also shall void the limited warranty provided herein.
